Text of the report:

The Management Board of Inter Cars S.A. (the “**Company**”) announces that on May 30th 2022 it was notified of a resolution passed on that day by the Company’s Supervisory Board concerning appointment of the Company’s Management Board for a new joint four-year term of office, beginning on the date of the Annual General Meeting which approves the Company’s financial statements for 2021, convened for May 31st 2022. The composition of the new Management Board is as follows:

1. Maciej Oleksowicz, President of the Management Board
2. Krzysztof Soszyński – Vice President of the Management Board
3. Wojciech Twaróg, Member of the Management Board
4. Piotr Zamora, Member of the Management Board.

Furthermore, the Supervisory Board decided that the Management Board would consist of four persons.

According to the representations received by the Company, save for Maciej Oleksowicz’s business activities, the Management Board members are not engaged in any activities competing with the Inter Cars Group’s business, and they are not partners in any competing partnership under civil law or another type of partnership, nor members of governing bodies of any corporation or of any other competing legal person. Also, according to their representations, they are not entered in the Register of Insolvent Debtors maintained under the National Court Register Act.

Mr Oleksowicz holds an equity interest in a limited liability company whose operations cover servicing of rally cars and sale of spare parts for such cars. The Company’s Supervisory Board agreed to Mr Oleksowicz’s continuing involvement in that business given its highly specialised nature and irrelevance to the business conducted by the Inter Cars Group. Moreover, Mr Oleksowicz is registered as a sole trader operating in a business which is not in competition with the Inter Cars Group’s business.

Biographical details of the members, containing information on their educational background and listing their qualifications, previously held positions and professional experience, are attached to this current report.

Legal basis:

Art. 56.1.2 of the Act on Public Offering, Conditions Governing the Introduction of Financial Instruments to Organised Trading, and Public Companies of July 29th 2005, and Section 5.5 and Section 10 of the Minister of Finance's Regulation on current and periodic information to be published by issuers of securities and conditions for recognition as equivalent of information whose disclosure is required under the laws of a non-member state, dated March 29th 2018.
